4-STROKE MOTORCYCLE ENGINE OIL

320400701

4-STROKE MOTORCYCLE ENGINE OIL

This is an advanced generation of semi-synthetic 4-stroke motorcycle and scooter engine oils. It can be used for both incidental traffic vehicles as well as daily-use vehicles. This product has been based on a formulation that ensures extreme pressure additives in order to maintain the gearbox optimally. It prevents the wet clutches from slipping and the dispersant and detergents that are added ensure optimal cleanliness. This product can be used in city traffic as well as highway traffic and can be used in all types of motorcycles, quads, 4-stroke scooters.
