MULTI GRADE ENGINE OIL SN/CF

This product is a very advanced mineral engine oil that has been developed for gasoline and diesel engines. This product is made of the finest European base oils and additives. This product meets and exceeds many of the industry and OEM specifications required by newer modern gasoline and diesel powered automobile engines. This product has active cleaning agents that help to reduce the deposit and sludge build up in the engine. This product can be recommended for all types of modern vehicles including vehicles with turbochargers, superchargers and multi-valve injected engines.
