MID SAPS ENGINE OIL C5

This is a full synthetic engine oil that is developed for the FORD ECOBOOST petrol engines. This product meets the Ford WSS-M2C948-B specification and is mandatory for the Ford Eco-boost 1.0 3-cylinder engines. This product can also be used in other vehicles that prescribe the ACEA A1/B1 or API SN specification. This product is excellent for start-stop city driving as well as for long distance driving.

FUEL ECONOMY RATING
