FULL SYNTHETIC HEAVY DUTY ENGINE OIL

This is a full synthetic heavy duty engine oil that meets the highest performance standards for the newest large truck fleets. This product is recommended for EURO V and EURO VI engines. This product enables very high levels of fuel economy and protects the engine all year round for very long interval ranges. This product can be used in vehicles that are equipped with after treatment devices (EGR, SCR, DPF etc.). This is one of the best products in the market for maintaining the newer truck portfolio.
