STOU AGRICULTURE PERFORMANCE OIL

This is a Universal Super Tractor Transmission Oil that is used in engines, transmissions, wet brakes and hydraulic systems of vehicles used in the agriculture/off highway segment. This product has been developed to perform very well also in colder temperature environments. It ensures instant lubrication at usage and reduces risk of wear.

This product can be used for lubricating charged and uncharged diesel engines. It can also be used in 4-stroke gasoline engines and LPG engines. In addition to that it provides excellent properties for the gearbox, differential, final drive, power take-off, wet brakes and hydraulic systems.

Product information

People buy this product because they need an excellent STOU lubricant for Agriculture & off-highway equipment
