

# SPRAY-PLUS FOOD CLEAN GEN 32

FOODGRADE SPRAYCANS

322500501

## UNIVERSAL FOODGRADE LUBRICANT

This versatile product is a universal lubricant that can be used in food processing equipment where there may be incidental contact with food. It is ideal for a wide range of applications that require medium load capacity.

This product is a multi-purpose lubricant that can be used for a variety of applications, including as a non-sticky chain oil, a lubricant for bearings and slides with low load, and a hinge lubricant. Additionally, it can serve as a cleaning and preserving agent for stainless steel. This versatile product can also be used as a food-grade mold release oil.
