

SPRAY-PLUS FOOD GREASE GEN 48

FOODGRADE SPRAYCANS

322501101

DYADE
LUBRICANTS

HIGH PERFORMANCE FOODGRADE MULTIFUNCTIONAL FLUID

Formulated with special synthetic base oils and additives, this high-performance product is known for its exceptional properties. Thanks to its tacky texture, this product effectively clings to metal surfaces, delivering superior water resistance. Moreover, it boasts outstanding oxidation stability, effectively safeguarding against wear and corrosion. Typical applications include, rails, slides, gears, hinges, chains, small bearings, cables, conveyors and linkages.
