

FOOD-PLUS CHAIN HEAVY 320

FOODGRADE CHAIN OILS

323200501

FOOD GRADE CHAIN OIL WITH SPECIAL TACKIFIER

This food grade lubricant is designed specifically for use in chain and conveyor systems and has exceptional adhesion properties. It is made from medicinal oils and carefully selected additives, which offer superior anti-wear characteristics, high oxidation resistance, and effective corrosion protection. The lubricant also features unique tackifiers, which provide strong adhesion to metal surfaces. This product meets the stringent standards of the food industry and is compatible with Hazard Analysis Critical Control Point (HACCP) guidelines. Additionally, it complies with the requirements specified in FDA 21 CFR 178.3570 for "Lubricants in incidental contact with food". Application can be done manually, with a brush or automatic central drip feed system. This product is versatile and can be used in various chains and conveyor systems in industries such as food, cosmetics, pharmaceuticals, textiles, glass, steel, wood, and ovens

CATEGORY

- Chain Lubricants

BENEFITS

- Chemically stable
- Low volatility that reduces the evaporation residues
- High flash point
- Very good tackiness for adhesion
- Capable to resist high temperatures during a long period
- Excellent anti wear properties
- Very low deposits formation. Keeps the slides and chains clean
- Avoids high speed splashing and therefore staining of fabrics

PROPERTY	METHOD	VALUE
Colour		0.5
Density @ 20 °C, kg/dm ³	ISO 3675	0.84
Viscosity @ 40 °C, mm ² /s	ISO 3104	320
Viscosity @ 100 °C, mm ² /s	ISO 3104	36
Viscosity index	ASTM D2270	151
Flash point, °C	ASTM D93	>260
Pour point, °C	ASTM D97	<-18
Kosher approved		Pending
Halal approved		yes
NSF registration		yes
