FOOD GRADE BIODEGRADABLE DEGREASER

This product is a versatile, water-based detergent and degreaser with over 90% biodegradability and antibacterial properties. It effectively removes various pollutants such as animal, vegetable, and mineral grease, oils, organic deposits, glue, and combustion residues. This solvent-free product is non-toxic and available in bulk packaging or trigger sprays. However, it should not be used on glass, mirrors, or unpainted wood. Additionally, the product has contact antibacterial and disinfectant properties, which are most effective when used undiluted, making it ideal for use in HACCP procedures. This product is suitable for a wide range of applications, including use in industrial plants, metal and fiberglass tanks, and all types of flooring such as stone, marble, ceramic tiles, asphalt, and cement. It is also effective on metallic and plasticized walls, vessel bilges and decks, mechanical parts, covers, truck loaders, heavy machinery, and diggers. Additionally, it can be used on frames, tables, and various types of furniture, as well as on trucks, vans, trains, and metro systems. It is also ideal for surfaces that are to be

painted, including metal, wood, and plastic.

CATEGORY

- Cleaners

BENEFITS

- Highly effective
- The product is ready for use but can be diluted (see dilution guide)
- Non-toxic
- Non foaming
- Biodegradable
- User friendly
- Non-flammable
- Foodmax Clean BIO can be safely used on aluminium parts and will protect aluminium against oxidation
- Contains anti-bacterial properties
- Multifunctional, all-in-one cleaner
